Thank you to all our families that donated to the food drive. It was a great success! We will continue to help the community the most we can!

As we are going into the coldest months, please make sure your children have a change of weather appropriate clothes in their cubbies. Also, it is a licensing requirement that the children go outside everyday unless there is active precipitation. Please bring heavy coats, gloves, hats, and/or scarves for your children to keep warm while on the playground.

I hope everyone enjoyed being able to view your child's proofs the day pictures were taken and I hope everyone was satisfied with the outcome. After purchasing, your pictures will be sent to your home within two weeks. If you have any other questions, please feel free to ask.
