We will be using a new foreign language company called Language University. There classes feature a variety of activities, games, crafts, and adventures, as well as there own songs, dances, and sound effects, to ensure your child is engaged from start to finish. Language University will begin on Thursday, January 10th for the Geckos, Coconuts, Pirates, and Toucans.

We will be emailing 2018 tax receipts to all families on Wednesday, January 9th. If you would like a paper version printed out from us please reply to the email on Wednesday.

Just a quick reminder:

We typically use Brandywine School District as a guide when determining whether we open late, dismiss early, or close due to inclement weather. Babes on the Square Too will make a decision by 6AM. The best place to look for information is our website. A banner will be posted on the homepage. You can also call the center and a message will be on our machine.
