- Signs will be posted outside your child's classroom as a reminder

With spring break right around the corner our teachers will be putting a sign on their classroom doors asking weather or not your child will be here. Please keep a lookout!

We are doing a coin challenge to help raise money for the Highmark walk in June. Please help us by dropping any loose change in the bucket that is in our front lobby! Thank you!

If you haven't already turned in your Summer Enrollment forms please do ASAP so we can plan our Summer camp accordingly.
