Highmark Walk for a Healthy Community is Saturday June 8th at the Blue Rocks Stadium. We have been participating in this walk to support Read Aloud Delaware. Read aloud Delaware is the organization that we have come to our school to read individually with our children. With our participation our school receives books upon the money we raise as well as the amount of participation we bring. We would love for our families to show their support as well. If you are interested, please see someone in Admin

Today is our last cookie sale! Thank you for supporting our walk! We hope to see you there!
