- We would like to welcome Ms. Julia and Mr. Luke to our Bots Too Team. They are our high school interns for the summer and the expectations of them is to be an extra set of hands to engage with the children and help in classrooms where needed.

Bots Too Night at The Green Turtle on Concord Pike Thursday June, 27 2019

Time: 11am –Midnight

Thank you to all the chaperones that went to the Ashland Nature Center on Wednesday. We hope you had a great day!

The Brandywine Traveling Zoo came to visit the Ladybugs, Frogs, Turtles, and Violets on Thursday. They had an educational lesson about each animal they saw. Some of the animals they saw were a turtle, Chinchilla, Lizard, and a White Rat.

The children also got to pet the Chinchilla!

Kindles:

We are aware that the kindles are having technical difficulties, we apologize for the inconvenience. We are working with a tech to help us resolve the problem or replace them if need be. In the meantime the teachers will use a paper daily to log your child's information and it will be placed in his/her mailbox to be picked up at the end of the day. If you have any questions, please see someone in Admin.
