Thank you to all the parents that Chaperoned the field trip on Thursday! If you have never been to Can Do Park, we hope you enjoyed yourselves!

Just another reminder:

With outside food, please make sure you read the ingredient label on the back side of the packaging, even though it may say peanut tree/tree nut free on the top. Also, no home baked items are to be brought in due to any cross contamination. This is to keep all our allergy children safe.

We appreciate your cooperation!
