Teachers have posted sign up sheets on their classroom doors to sign up and bring a snack for their Valentine's Party on Friday February 14th. Please sign up to bring something if you have not already. Please remember we are peanut/tree nut free.

As you know, our area was briefly under a tornado warning this morning. We took precaution and followed our policy and procedures for hazardous weather. We locked our front door and teachers and children took shelter in the hallways away from windows. Everyone remained sheltered until the warning was lifted. Children safety is always our top concern. The staff and children are being commended for their excellent teamwork!
