Save the Date:

Highmark Walk for a Healthy Community is Saturday June 13th at Tubman Garrett Park. We have been participating in this walk to support Read Aloud Delaware. Read Aloud Delaware is the organization that we have come to our school to read individually with our children. With our participation our school receives books upon the money we raise as well as the amount of participants we bring.. We would love for our families to show their support as well. If you are interested , please see Ms. Ang!
